

# AKK January News 2021

We are so happy to be back at school! This month of January we are learning about "winter" and what people and animals do to stay warm during these chilly months. We are learning about "migration" and "hibernation", gingerbread cookies, snow, and snowmen!

The MWF class made mirror-print butterflies, "stone" soup, and snowmen with the letters of their names. Cameron, William, Calyssa, and Michael all had the tallest snowmen! The TTH class made "sleeping" bears, watercolor butterflies, gingerbread "houses", and sparkly snowmen. Both classes made "gingerbread" (really sugar) cookies. In the MWF class, the cookies ran away! The whole class went to search for them! Keira found them hiding in a cupboard in our church kitchen!

Letters of the week: H is for Hibernation, Y is for Yummy, and O is for Olaf.

Bible learning: "God promises to take care of us!" Matthew 6: 25-34, "The Little Boy Who Shared His Lunch" John 6: 1-11, "A friend loves at all times." Proverbs 17:17.

REGISTRATION for the 2021-2022 school year begins Monday February 1. Current families of TTH children will automatically receive a registration form in your child's mailbox on Tuesday February 2. To ensure your child has a place reserved in the MWF class for next year, please return the form and the registration fee by Friday, February 12. Any siblings of current students are also able to register beginning Monday February 1. Please ask for a registration form if you are interested.

**VALENTINE PARTY:** On Thursday February 11 and Friday February 12, the children will have a "Valentine Party". We hope that you will help your child to prepare valentine cards to "mail" to their classmates in the "mailbag" each child will make at school. We currently have 25 children in the MWF class and 18 children in the TTH class. NOTE: Please DO NOT address the Valentines to individual children, as it makes "delivery" more difficult.

**\*School will be CLOSED on Monday, February 15 for observance of Presidents Day.**

## REMINDERS:

Although we will be busy with art, cooking, and sensory activities indoors, we will still play outdoors as much as we can! Please remember to send your child with a warm jacket to wear!

As we start this new year, please remind your children to remember to keep hands to themselves, listen to teachers, and use respect and kindness when speaking to others. Reinforcing these positive manners will help us facilitate positive interactions and play between children. Thank you!

May God bless you all in the New Year!
